

IPL Auction

GENERAL DESCRIPTION: An event wherein the participants have to auction cricket players.

TYPE: TEAM EVENT

TEAM SECIFICATIONS: Each participating team should have 3-4 members in their team.

RULES AND REGULATIONS:

1. Each participating team should have 3-4 members in their team. Out of them one will take care of bidding and one will take care of players list and others will take care of budget.
2. More than 150 players will go under the hammer for Saavyas' IPL auction.
3. Each team can spend up to 80 crores during the auction. Failing to spend within the limit will lead to disqualification.
4. Each team should have at least 4 batsmen, 4 bowlers, 2 wicketkeepers and 3 All-rounders and the total number of players in a team should be at least 16. In case of failing above conditions will lead to disqualification.
5. In case of 2 or more teams bidding at the same time, it'll be the auctioneer's discretion that'll be considered as final decision.
6. Players with base prices of 2 crores, 1.5 crores, 1 crore, 50 lakhs and 20 lakhs will be available for the auction.
7. The unsold players will be auctioned again at the end.
8. Each player will be rated according to their performance on a scale of 0 - 10 points. Ratings of players won't be shown.
9. The team with highest total average rating will be declared as the winner.
10. In case of a tie in average rating, which team has more number of players that team will be declared as the winner. In case of having equal number of players then which team has more purse balance that team will be declared as winner.
11. In case of any discrepancy Auctioneer will have the right to take final decision.
