

PRO CRICKET

GENERAL DESCRIPTION: One on one cricket competition

TYPE: SOLO EVENT

RULES AND REGULATIONS:

1. Each contestant will bat for one over and then bowl for one over. Whoever wins will proceed to the next round until a final winner is decided.
2. Depending on the number of participants, the rounds will be decided on the spot by the organisers.
3. All gameplay rules will be told to the players on the spot by the organisers.
4. No foul practises will be tolerated and will lead to disqualification of the participant.
5. The participants are not required to carry their own kits. A common kit will be made available for all players.
6. The participants must carry their institution ID cards for registration purpose, failing which they will not be allowed to participate and play. On the spot registration is allowed.
